

Cenflex vs. Our Flex

Cenflex

Web Width

4 3/4"

Warranty

20 Years

Availability

Ships within 21-27 days

Bracket Material

Plastic

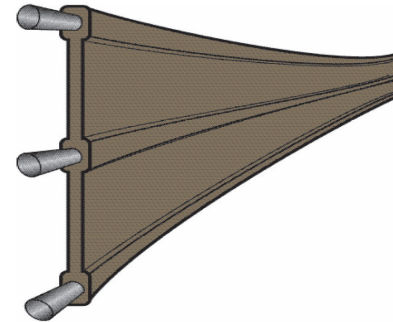

Customer Service

No access to product and installation knowledge

Pricing

When bought together, Cenflex's rolls and components are more expensive than our flex, even though the rolls themselves are less expensive due to the decreased web width.

Please note that mixing and matching rolls and components between brands voids warranty.

Our Flex

Web Width

5 1/4"

Warranty

Lifetime Limited Warranty

Availability

Ships within 24-48 hours

Bracket Material

Long-lasting steel

Customer Service

Access to advanced product and installation knowledge

Pricing

When bought together, our rolls and components are less expensive than Cenflex, even though the rolls themselves are more expensive due to the increased web width.

Please note that mixing and matching rolls and components between brands voids warranty.
