- Creates a very strong and unique look

Fasteners:

- Door side: 3/8" Carriage Bolts/Lag Bolts (x4)
- Frame side: 1/4" Lag Bolts (x4)

Rockwood Strap Hinge

The Rockwood Strap Hinge is one of our most popular hinges. This heavy-duty hinge comes standard with a black powder-coated finish and a heavy-duty stainless steel hinge pin and brass washers to allow for effortless movement. Heavy 3/16" materials provide a long life.

Description: Heavy Duty Strap 16" Hinge

Part # 365-216 (16"), 365-224 (24" - Special Order), 365-236 (36" - Special Order)

Details:

- Available galvanized by special order (allow 2-week lead time)

Fasteners:

- Door side: 3/8" Carriage Bolts (x4 for 16" and 24", x5 for 36")
- Frame side: 1/4" Lag Bolts (x4)

Complete Door Hardware

Decorative Rockwood Back Plate

The Rockwood Decorative Back Plate create a consistent look and feel when paired with either our Rockwood or Madison door hardware systems, but it can be added to the interior or exterior of any door for an elegant touch. The laser cut plate lines up with the hinge holes so a carriage bolt can be used to bolt directly through the door and create a very strong sandwich door system.

Description: (K) 16" Heavy Duty Rockwood Decorative Back Plate Black

Part # 365-216BP (16"), 365-224BP (24" - Special Order), 365-236BP (36" - Special Order)

Details:

- Available zinc-plated by special order

16" Adjustable Rockwood Hinge

Description: (K) 16" Heavy Duty Rockwood Adjustable Strap Hinge Black

Part # 365-216A

Details:

- Creates a very strong and unique look
- Stainless steel hardware

Fasteners:

- Door side: 3/8" Carriage Bolts/Lag Bolts (x4)
- Frame side: 1/4" Lag Bolts (x4)

Welded-on heavy-duty adjustable hinge system with CNC machined stainless steel hinge bolt with a Delron bushing pressed in (left). Adjust your door hinges at any time if there is movement.
