## Join our team!

We are looking for a professional in the horse industry with motivation to share our passion of equine health and education. Here at System we provide an opportunity for individuals like you to gain experience and grow your own personal career with our Ambassador Program. We offer an environment that is supportive, educational, friendly, and resourceful. Our brand ambassadors have the opportunity to work at their own pace and within their own comfort zone. We are here to encourage you to become the best in your field. With social networking these days being paramount to any business, direct selling is a strategy that can be wildly effective. You will learn how to best connect with people based on their and their horse's needs, then we fill the orders and complete their experience of phenomenal customer service. Our clients are always our number one focus; everything we do revolves around providing high quality and exceptional customer service across all of our networks.

We believe that when you are truly passionate about a product that sales will come naturally, which is why we offer a Flexineb to our ambassadors for their own use at 30% off retail pricing. We want you to have confidence and trust in the product(s) you are selling.

We are always looking for passionate and motivated candidates to join our Canada-wide team.

Thank you for your time and consideration.

Sincerely,

Your friends at System Equine
