

WIRE FENCING

handles the tough task of keeping livestock in and predators out

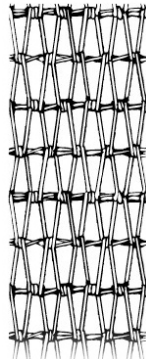

Wire fencing offers a choice of mesh patterns and high strength depending on application. Whether you're keeping children safe from livestock or keeping small to large animals contained, our variety of wire fencing is sure to meet your needs.

- Rigid yet flexible to prevent injury
- Excellent predator control
- Choose from multiple mesh designs and sizes
- Galvanized to prevent corrosion
- Low maintenance
- Safe for livestock and people
- Holds up to ongoing abuse
- Resistant to severe weather
- Add a rail of Flex or oak on top for visibility

WIRE FENCING
