Wherever you need a smooth finish that is easy to clean,
low maintenance and abuse resistant,
TRUSSCORE PVC Sanitary Wall and Ceiling Panel has your project covered.

TRUSSCORE™ PVC Interlocking Liner Panel

KEY ADVANTAGES INCLUDES:

- Industry leading 1/2 inch thick panel combined with unique inner webs gives **Trusscore** outstanding strength not found in thinner panels.
 - Inner truss design for rigidity and high strength
 - Cost effective vs other wall systems like painted drywall.
 - Can be used for new construction or retrofit
- Meets CFIA (Canada) and FDA & USDA (US) requirements for walls and ceilings
 - Comes in standard and custom lengths
 - Hidden fasteners
- Made from 100% virgin PVC, Trusscore is highly resistant to chemicals and unaffected by moisture.
- Ideal replacement for conventional wall systems
 - Supports attic insulation loads
 - Pre-punched nailing flange
 - Bright clean appearance
